STATINTL

The security posture of each computer facility was evaluated, and recommendations regarding the adequacy of security measures were written.

2. A representative of the Information Systems Security Group gave a general computer security threat briefing to members of [REDACTED] and the U.S. Air Force Electronic Systems Division (ESD). The [REDACTED] is working on a project for ESD which is concerned with threats to military application computer systems.

3. A survey was conducted by the Information Systems Security Group to ensure that proper procedures were being followed in the control of TOP SECRET material transferred between the four Directorate coordinators and the Review Staff. A primary concern was the control of TOP SECRET material forwarded to the investigative committees.

STATINTL

4. Members of Information Systems Security Group and [REDACTED] met for two days of discussion to orientate [REDACTED] with the OJCS Computer System and the CIA security requirements of these systems. [REDACTED] will present a proposal on the adaptation of the Security Access Control System (SACS) as a means of access control in the OJCS Computer Center.
